## SUMMER SCHOOL POLICIES

**Attendance Policy:** Because of the condensed nature of summer school, a student **may not** miss more than two (2) periods in any one class for any reason. A student who accrues a third absence in any one class will be dismissed from that class and lose credit. No pre-approved absences will be approved by summer school staff and the summer school attendance policy will be strictly enforced.

**DO NOT sign up for summer school if you cannot meet the attendance requirement.**

**Tardies:** A student will be considered *tardy* if he/she enters a class up to ten (10) minutes after the late bell rings. Students entering class 11 – 29 minutes after the late bell rings will be given an *extreme tardy*. Any student who enters the class thirty (30) or more minutes after the late bell will be considered *absent*.

A combination of *any* three (3) tardies **or** two (2) extreme tardies will be equal to one (1) absence.

**Any tardy after a student has accrued any two (2) absences will result in removal from summer school for violation of the attendance policy.**

**Discipline Policy:** As an extension of the regular school year, Mountain Home Summer School will follow the same rules and policies outlined in the Mountain Home High School handbook and Mountain Home School District policy. A student's prior disciplinary record will be considered if disciplinary action is necessary during summer school. Any rule violation that would result in suspension during regular day school will result in removal from summer school. Disciplinary action taken against a student during summer school may impact a student's attendance rights the following year in his/her regular school.

Please pay particular attention to the following rules which will be strictly enforced:

1. All students are expected to comply with each teacher's classroom management plan and follow directions at all times. Two (2) discipline referrals in one class will result in withdrawal from that class.
2. Cell phones are not to be used during class time unless explicitly allowed by the teacher for educational purposes.
3. No food or drink (except water) is permitted in classrooms.
4. Mountain Home School District dress code will be strictly enforced.
5. No profanity or other inappropriate language will be tolerated.
6. Any use/possession of alcohol, tobacco or other drugs will result in immediate removal from summer school and local law enforcement will be notified.
7. Any student involved in a fight or confrontation will be removed or suspended from summer school.
8. Any three (3) discipline referrals during the summer session will result in removal from summer school.
