

Computer Pre-Registration Information

1. Login to your PowerSchool Account.
2. In the left column, scroll down and select "Class Registration."
3. To add your courses, please click on the pencil at the right of each category. For each category there are instructions on how many courses you need to select. These instructions are on the bottom of the screen next to the page numbers. Some categories have multiple pages of options. After you get green check marks for each category you must submit.
4. Make sure to use your credit evaluation and pre-registration form as a reference when you are pre-registering.
