

Tiger Fans,

Below you will find the winter sports fan entry plan for MHHS. The state is requiring that we only admit 10 people per contest while we are in stage #2. Therefore, entry will be very limited and will also result in us having to clear the gym after each contest.

Masks and social distancing between family groups will be required at all times. We greatly appreciate your help and compliance with these requirements. While we do not want to remove anyone from events, failure to comply will result in removal from the event and could result in you not being allowed to attend further events.

We understand that this is a very difficult situation for everyone and are asking for your patience, understanding, and compliance with the new policies and procedures that are now required. Remember the health and safety of everyone involved in extracurricular activities/sports is our number one priority.

Thank you for your patience and support,

Mtn. Home School District Staff and Administration
